BROW SCULPTING & LAMINATION MASTERCLASS

Professional Certification – Institute of Beauty

Course Overview

This Brow Sculpting & Lamination Course is designed to deliver structured, professional training in modern brow treatments including precision shaping, tinting, henna application, and lamination techniques.

Through guided training, students develop the technical confidence required to perform brow services safely and professionally. The curriculum prioritises consultation, skin safety and treatment precision to ensure long-term success.

What You'll Learn

- ✓ Precision brow mapping and shaping
- ✓ Waxing, tweezing and trimming
- ✓ Tinting and colour theory
- ✓ Henna application
- ✓ Brow lamination
- ✓ Consultation and safety
- ✓ Aftercare and retention

Why Train With Us

- ✦ Established brow methodology since 2012
- ✦ Boutique small group training
- ✦ Professional standards and real-world skills
